Specializing in Solids Processing Equipment and Materials Handling Equipment since 1983

**CARTER DAY**

- **Carter Day International**
  - Offering SPINAWAY DRYER Centrifugal Drying Equipment for polymers, advanced Agglomerate and Dewater Systems. SCALPERATORS for streamer and fines removal from pellets.

Automated Ingredient Systems (“AIS”) offers a variety of material handling solutions to its customers. From mechanical to pneumatic conveying, bulk to minor ingredient systems, liquid to dry ingredients, AIS can design and supply a solution to meet the demands of your manufacturing and process requirements. http://ais-kc.com

Readco Kurimoto, LLC supplies Continuous Mixers to the Food, Chemical, Plastics, and Pharmaceutical industries for the continuous production of products. http://readco.com

Industrial Air Technology Corp. services the industrial fan market with a complete line of centrifugal fans. Offerings includes backward inclined, industrial exhauster, radially tipped, and high pressure/turbo series fans. http://indairtech.com

GEMCO has taken the leadership position in blender/dryer manufacturing, offering the most effective methods of increasing process productivity to a wide variety of powder processing industries. Spherical Disc Valves. http://okgemco.com

Triton Innovation, LLC is a provider of wash down and stainless steel conveyors, container (cart) dumpers, and specialty products designed to meet the needs of food processing operations. https://tritoninnovationsllc.com

LORENZ Pneumatic Conveying Components - Slide Gate Valves, diverter valves, cyclones, couplings, tube and pipe bends, fittings for pneumatic conveying, vacuum and bulk handling systems. http://lorenz.ca
